jias

The image shows the word "wiel" written in a cursive script. The background is divided into three horizontal bands: a light red band at the top, a light blue band in the middle, and a light green band at the bottom. The word "wiel" is positioned such that its main body is within the blue band, its descenders reach into the green band, and its ascenders reach into the red band. A small black dot is placed above the letter 'i' in the red band. A small green dot is placed at the starting point of the letter 'w' on the left side of the blue band.

wiel

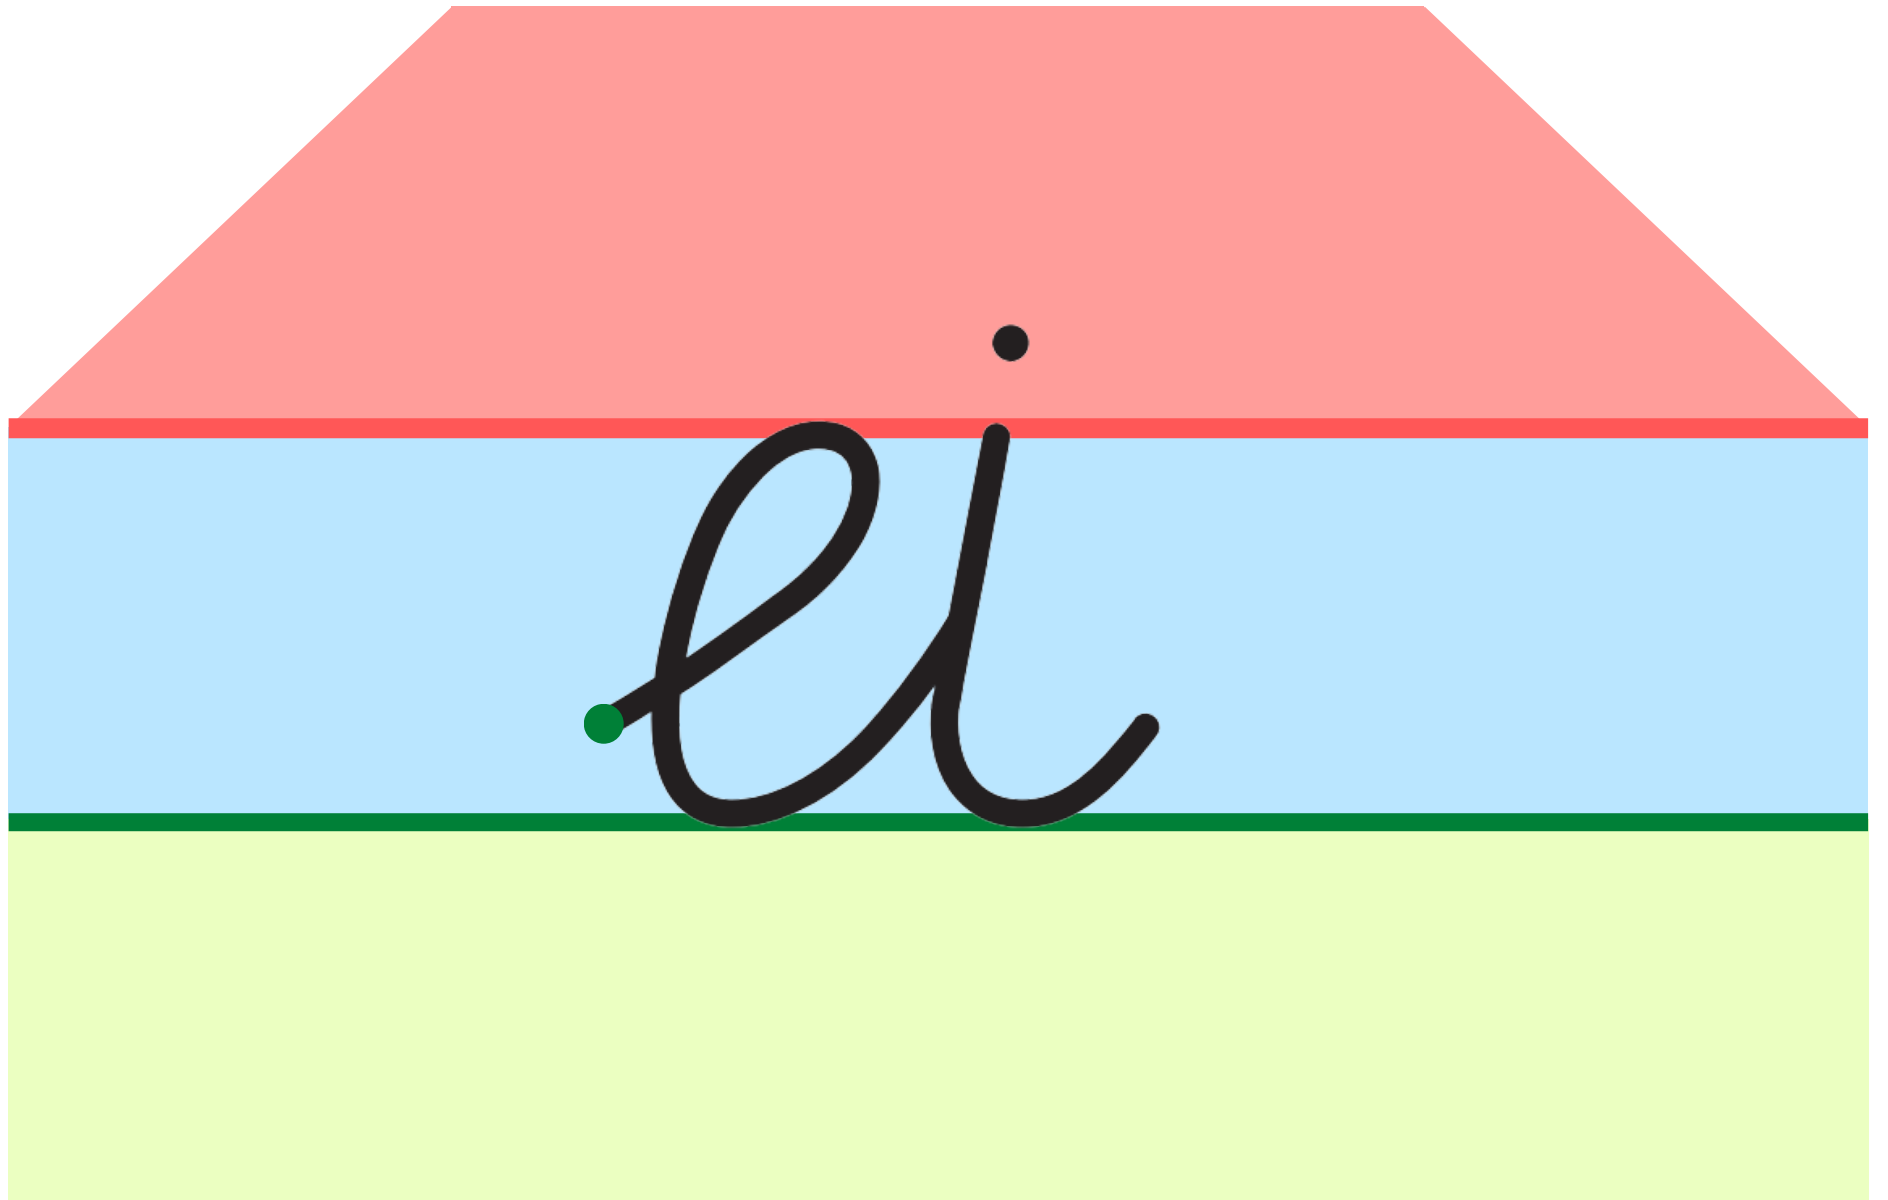

The image shows the word "hout" written in a cursive script. The background is divided into three horizontal bands: a light red band at the top, a light blue band in the middle, and a light green band at the bottom. The word "hout" is positioned such that its top loops reach into the red band, its main body sits within the blue band, and its bottom curves touch the green band. A small green dot is placed at the start of the first stroke of the letter 'h'.
